HELPING COUPLES LOOK THEIR BEST SINCE 2010

Tim Hara is a Chicago photographer capturing soulful, vibrant images that are unique like you.

"A GOOD SNAPSHOT STOPS A
MOMENT FROM RUNNING AWAY."

-EUDORA WELTY

When I started capturing life's most meaningful moments, I quickly realized that photography is about so much more than having the best gear. It is about helping people feel comfortable so they can truly shine in front of the camera. I discovered that creating genuine connections with couples naturally leads to unique, authentic images.

I'm passionate about photographing people and the emotions that accompany their momentous occasions. There's nothing more rewarding than capturing those honest, heartfelt expressions. No matter who you are, I'll help relax and hype you up because everyone deserves to feel like a rockstar in their photos. Let's chat about how we can work together to create something you'll treasure forever!

I currently call Chicago's Logan Square neighborhood home, where I live with my wife and our dog. When I'm not photographing amazing couples, you'll find me working out, tending to my ever-growing collection of houseplants, or traveling across the country for live music.

The booking process begins with a friendly introductory call where we get to know each other. It's important for you to feel confident not only in my technical expertise, but also in my ability to bring a sense of calm and comfort to your wedding day. A well-planned timeline ensures we capture stunning photos while still giving you plenty of quality time with guests. This way, you can fully relax, have fun, and savor every moment on the big day.

I strive to make our time together enjoyable and stress-free. I understand that being in front of the camera can feel intimidating or awkward. I focus on creating a relaxed environment where you can feel confident. My ultimate goal is to deliver heartfelt, timeless images that bring back cherished memories for years to come. By encouraging you to stay true to yourself, I aim to document your day authentically, creating a genuine story throughout your gallery.

Every collection includes an engagement session, an online gallery, professional print ordering, and a beautifully crafted custom album. You can count on clear communication, a timely delivery of your gallery, and the reassurance that this is one part of the wedding planning you won't need to stress over.

"WHAT I LIKE ABOUT PHOTOGRAPHS IS
THAT THEY CAPTURE A MOMENT THAT'S
GONE FOREVER, IMPOSSIBLE TO REPRODUCE."

-KARL LAGERFELD

We couldn't be more thrilled with our wedding photographer! From start to finish, he was a true professional, but what really stood out was his ability to connect with our 6 nieces who were flower girls. They were a bit shy at first, but he made them feel so comfortable by letting them help him with the camera. He even let them press the shutter button a few times, which they absolutely loved! It was such a sweet and thoughtful way to help them relax and feel part of the process.

The photos turned out absolutely stunning, capturing not only the big moments but all the little details we'll cherish forever. If you're looking for a photographer who goes above and beyond to create an unforgettable experience, look no further.

Meaghan + Harrison - Married October 2024

We had the privilege of working with Tim for our engagement and wedding photos and we couldn't be happier! Tim was responsive from the start and had great insight into locations around the city for these shoots. His easy-going and thoughtful personality made us feel comfortable in front of the camera and we hardly even noticed he was there aside from the portraits. He got us our photos back quickly so we could share them with family and friends. Tim captured our wedding day perfectly. We cannot wait to look at our photos for years to come!

Nicole + Joe - Married June 2021

There are too many amazing things to say about Tim and his importance on our wedding day. We were first drawn to Tim through his work on Instagram. We loved the vivid, realistic, and candid quality of his work. Meeting him in person for our engagement photos was great to get to know him and get photos before the big day. Tim was detailed, organized, and brought a calming and confident presence throughout wedding planning and the day-of. He captured so many candid moments and encapsulated the day perfectly through his photos. It is so special to be able to relive the day through his photos. We cannot wait to work with him again in the future.

Kathleen + Logan - Married June 2024

Tim is an amazing photographer and was able to capture our wedding moments perfectly. Working with him was extremely easy and he's very personable. He captured everything we asked of him and more. We would definitely recommend him to our friends and family for engagement photos, weddings or any memory that needs to be captured perfectly.

Beatrice + Yamho - Married September 2024

My husband and I worked with Tim for our wedding and we could not be happier! His work speaks for itself, he is such a talented photographer and has a great eye. On the day of our wedding, Tim did an excellent job of getting all the shots we wanted and more. We had a Catholic ceremony and he captured all of the important moments and was able to do so comfortably without a second shooter. We appreciated his enthusiasm throughout the day, especially as we took photos outside in 20-degree weather. We are thrilled with how the photos turned out and how he captured all of the emotions on our wedding day. We cannot recommend him enough!
